NB: any special medical notes relating to religion, culture or legal issues, e.g. blood transfusions:

If the student is transferred to the care of medical personnel, e.g. paramedics, this information will, if practicable in the circumstances, be provided to those personnel. It will be a matter for the professional judgement of the medical personnel whether to act on the information.

This individual health care plan has been developed as part of the learning support plan, in consultation with those indicated below and with the knowledge and agreement of the student's parent/caregiver.

This Plan will be reviewed annually or when there are any changes.

Signed: _____ Date: _____
(Parent/Guardian)

Signed: _____ Date: _____
(Principal/Deputy Principal Junior School)

Notes:

Information in this individual health and emergency care plan remains specific to meet the needs of the individual student named and should not be applied to the care of any other student with similar health and emergency care needs. All individual health and emergency care plans must take into account issues of confidentiality and privacy to ensure information about the student is treated appropriately.

The school and the Department are subject to the Health Records and Information Privacy Act 2002. The information on this form is being collected for the primary purpose of ensuring the health and safety of students, staff and visitors to the school. It may be used and disclosed to medical practitioners, health workers including ambulance officers and nurses, government departments or other schools (government and non-government)for this primary purpose or for other related purposes and as required by law. It will be stored securely in the school.
