## PARENT ASSISTANCE

- Transport:** If you are unable to transport your child to and from Camp Kedron each day, please note this on your form. We will seek to arrange for another parent to transport your child to and from Camp Kedron. If you are able to provide transport for additional students to and from the camp each day, please also note this on the form. Parents would need to pick up extra children from school each morning and return them to school each afternoon.
- Supervision:** We require one parent each day to assist with supervision over lunch. You are then welcome to stay for the final session of the afternoon before taking your child home at the end of the day. Please note this on the Registration Form.
