Dear Parents

### Australian Mathematics Competition

Each year, many students from Covenant Christian School participate in the Australian Mathematics Competition, an activity of the Australian Mathematics Trust. This year the competition will be held on **Thursday 1 August**. The cost of the competition is \$6.50 which will be added to your school fees.

The competition is based on problem solving, and the questions are designed to recognise and stimulate talent that is not readily identified in normal assessment.

One of the main objectives of the competition is for all entrants to gain a sense of achievement from attempting the paper. All students will receive a participation certificate, and a detailed profile of their individual achievement.

We would like to encourage as many students as possible from Years 7 to 10 to enter this year. Students in Year 7 - Mathematics 1, Year 8 - Mathematics 1, Year 9 - 5.3 Enriched Mathematics, and Year 10 - 5.3 Enriched Mathematics will be entered by the school for this competition (and charged to school fees), unless their parents notify Mrs Mekerdichian by email (smekerdichian@covenant.nsw.edu.au) or by returning the slip below by Wednesday 12 June.

Students in all other classes who choose to take part will need to book via the trybooking link:  
[www.Trybooking.com/125965](http://www.Trybooking.com/125965).

Note: Please enter **your child's name** on the booking page rather than your own. If you have any difficulty with the online booking form, please contact the School Office. The school must receive all entries **by Wednesday 12 June** to meet the closing dates.

Yours in the service of Christian education

Mrs S Mekerdichian  
Mathematics Coordinator

Mr T Hewitt  
Deputy Principal, Curriculum (7-12)
