Dear Parents

### Year 8 - The Passion Project Showcase

We would like to invite you and your family to view and celebrate the wonderful projects of our Year 8 students.

As you would be aware, this semester, students in Year 8 are undertaking 'The Passion Project' as part of the regular school curriculum. The topic is self-selected and involves independent research, culminating in a Major Work. Students have been allocated one period a week of class time but are also completing their project at home. The project will be submitted on Thursday, 30 May, and students have already been working fervently, in anticipation.

Showcase will take place on **Monday, 24 June** in the K Block Performing Arts Space (PAS). Showcase will not only celebrate the wonderful achievement of our students, but will be a fabulous display of their hard work. Each student will prepare a booth which will present their work. Parents will have the opportunity to view the displays, find out more about the processes which have taken place, and celebrate as the students are presented with their achievement certificates.

The evening will commence at 7.30pm and conclude at 9.00pm. Students should arrive no later than 7.15pm and full school uniform should be worn. The presentation at the showcase is a **mandatory** component of the project and it is expected that all students will be in attendance.

On the day of the showcase, there is opportunity for parents to accrue PIP hours. Roles include preparing supper (during the early afternoon), putting out supper, serving supper, cleaning up supper and packing up after the event. If you are available and would like to be involved in any of these activities, please contact Mrs Glassock via email on [sglassock@covenant.nsw.edu.au](mailto:sglassock@covenant.nsw.edu.au).

We are very excited by the wonderful projects which are being created by our Year 8 students and look forward to a delightful evening.

Yours in the service of Christian education
