Macquarie University - Save The Date: Open Day

Macquarie Uni's Open Day will be held on Saturday, 15 August 2026.

<https://event.mq.edu.au/open-day/>

Macquarie Uni's Bachelor of Business: new major in Artificial Intelligence in Business and Innovation.

This new major will equip students with the skills to bridge emerging AI tools and real-world business needs across diverse industries. Drawing on insights from business, philosophy and information systems – and enriched by practical learning, industry collaboration and research-informed teaching – the non-technical major will prepare students to drive responsible innovation, manage organisational change and create sustainable business value in an AI-driven world. With an emphasis on application rather than coding, this major explores how small and large organisations are strategically deploying AI – from generative AI and large language models to emerging technologies.

Simulated UCAT Day Workshop: 2-part program - Upcoming Dates

20 December (Online) - Limited Places Left!

24 January (Online)

31 January (Chatswood)

The Simulated UCAT Day (SUD) 2-Part workshop conducted over a full day and a follow-up session.

If you are in Yrs. 10, 11, 12, or you may be older and considering sitting the UCAT in the future, then this program is for you. The Simulated UCAT Workshop program is ideal and often a necessary step towards effective and efficient preparation for the UCAT.

The workshop is primarily designed to cover fundamental techniques in navigating all five sections of the UCAT test and also for participants to gain a better understanding of their own level of preparedness for the test. Over the course of the years, the program has evolved into a more comprehensive and holistic exercise, which not only achieves its primary goal, but it is also exposing students to a wealth of knowledge about all other aspects of the journey into a medical degree. The latest update has seen the program grow into a 2-Day event as the sheer amount of content covered was too great to fit into a 1-day program.

Screenwise Founder's Acting Scholarship

Applications Now Open for 2026

The Screenwise Founder's Scholarship offers one two-year full-time scholarship to study the 10869NAT Advanced Diploma of Screen Acting. Valued at \$38,000 The Founder's Scholarship covers tuition fees for the 10869NAT Advanced Diploma Screen Acting Program over the complete course of two years. Tuition Fees also include production of the Scholarship recipient's Showreel and Industry Graduation Showcase upon completion of the program. In addition to full subsidisation of tuition fees, the successful applicant will receive extended mentoring from Screenwise Founder and CEO Denise Roberts throughout their studies. The opportunity to access quality skills training as a screen actor in Australia has become increasingly difficult to access. Economically and socially disadvantaged students are most affected, and will be faced with numerous barriers in pursuit of a career as a professional Film and TV Actor. Many young and talented Australian actors may never achieve their goals as a consequence. Somewhere across our nation another Hemsworth or Kidman may never reach their potential as a professional Film and TV Actor. The question

remains, what can our industry leaders do to ensure that Australian Film and TV Actors continue to thrive on local and international screens?

JMC Acting Audition Guide

We understand auditioning can be a daunting process and we hope to make your audition experience as enjoyable as possible. We make allowances for nerves and want to see you do your best.

Our audition process is designed to allow you to be as comfortable and free as possible. We are not looking for the greatest actor in the world! Instead we want to get to know YOU as the actor you are NOW. For us, it is about making asure this course is right for you and that we believe that through your experience of the course you will grow to become an actor with your own unique individuality ready to claim your space at the end of your two years of training.

You will be required to prepare two (2) monologues for your audition. You may select the monologues from the JMC Monologues or they may be of your own choosing. One (1) of your monologues needs to be Shakespearean; the other one may be from any Contemporary published play or film.

Here are a few hints on how to best prepare and enjoy your audition with us.

Your rights at work Young workers & students

Starting work can be an exciting time. While every workplace is different, there are rights and responsibilities that apply to all employees. Follow the tips below to help prepare for a new job.

Managing conflict in the workplace

How do you handle conflict at work? If there is a difference of opinion between colleagues about how to carry out a task or project, what do you do? Some people leave the conflict for someone else to deal with, or avoid the conflict or situation. Others state and push for their opinion, or may state their opinion but give in when other people have stronger opinions. A good approach though is to discuss the differences in opinion, and try to find an option that you all agree on.

Westpac Young Technologist Scholarship

Applications Close 13 January

The Westpac Young Technologists Scholarship was made for talented and inquisitive high school graduates looking to strengthen their passion and expertise in technology to innovate and create new opportunities and inspire good in the world of STEM.

Our Young Technologists Scholars get up to three years of financial support for their studies, networking opportunities, mentoring programs and paid internships with senior business leaders and industry-based experts as well as the chance to develop critical soft skills through the Disruptive Leaders Program. The program includes five days in Asia as part of an international learning experience to broaden minds and inspire new ways of thinking.

Scholars must be intending to commence a STEM related degree at one of our five partner universities across Australia, though you do not need to have received a formal offer at the time of your application.
