CSSA: Christian Schools Sports Association (State)

CIS: Combined Independent Schools

NSWAS: NSW All Schools

Individual Sport Trials for CSSA and CIS Teams (NOT GPCC teams)

These trials are not for GPCC school teams that we hold trials for here at school. Instead, CSSA and CIS trials are external events, typically held in Sydney, where students compete against students from either Christian schools (CSSA) or independent schools (CIS).

These trials are intended for students who are already competing at a very high level, preferably with several years of representative experience.

If your child would like to be considered for nomination, please email Mr Harris before the nomination closing date. Please be aware that parents are responsible for transporting their child to and from these trials.

Any questions about college sporting teams, coaches, gala days, carnivals and trials can be directed to my email mark.tipple@gpcc.nsw.edu.au
