Code of Conduct Consent

The purpose of this form is for you to acknowledge that you have read and understood the Code of Conduct (taken from the Netball NSW Member Protection Document). By signing this document, you are agreeing that you have read and explained this code to your child and you agree to abide by it.

PARENTS/CARERS/SPECTATORS:

Family members/carers are expected to participate in their child's sport with the following behaviour:

- encourage participation, do not force children, remembering they are involved in organised sport for their own enjoyment.
- focus on efforts and performance rather than the overall outcome of the game/event, thereby reducing the emphasis on winning.
- teach children that an honest effort is as important as victory, so that the result of each game is accepted without undue disappointment.
- applaud good play by all players, remembering that children learn best by example.
- encourage children to always play according to the rules.
- if there is disagreement with an umpire or coach, the issue needs to be addressed through the appropriate channels rather than to question their judgement and honesty in public. Firstly with the Coach and/or GPCNC Coach or Umpire Convenor/s.
- recognise and respect the value and importance of volunteer administrators, coaches and umpires, who give their time and resources to provide recreational activities for all players.
- be a model of good sports behaviour for children to copy.
- support the use of age appropriate development activities and modified rules.
- be courteous in communication with administrators, coaches, players and umpires whereby teaching children to do the same.
- do not interfere with the progress and/or conduct of a game.
- discuss any issues of concern or complaints with the GPCNC Member Protection Information Officer.
