Policy

► CORE PURPOSE STATEMENT

“Equipped for Life” – The purpose of Green Point Christian College is to equip students for a life of redemptive action through a holistic education grounded in a Biblical perspective.

► INTRODUCTION

Regular attendance and punctuality are valued; this policy aims to assist:

- All students:
 - to attend school on a regular basis;
 - arrive and leave on time;
 - follow late sign in and early sign out procedures.
- Staff:
 - in maintaining strong pastoral care of students and encouraging regular school attendance;
 - in roll marking procedures.
- Parents:
 - in understanding their responsibilities regarding their child’s attendance at school.
(Refer: NSW Department of Education and Communities “Compulsory School Attendance – Information for Parents”).

► RATIONALE

The law in NSW states that all children between the ages of 6 and 17 years of age are required to attend school regularly (Section 21B Education Act 1990). It is the responsibility of parents or caregivers to make sure that their children attend school every day, unless there is a justified reason. The taking of holidays during the time the College is open for students does not constitute a reason to apply to the Principal for an exemption to attend school. Families are encouraged to travel during school holiday periods. For holidays taken during school time, these will be included as absences.

Regular attendance at school is essential to assist students in maximising their God given potential. Schools in partnership with parents/carers are responsible for promoting the regular attendance of students.

► RESPONSIBILITIES OF THE PRINCIPAL

- To maintain an accurate attendance register (roll) in a form approved by the Minister of Education;
- To provide clear information to students and parents regarding attendance requirements and the consequences of unsatisfactory attendance;
- Ensure appropriate communication is made to parents within three school days if an absence is unexplained;
- Inform the appropriate authorities regarding attendance problems and issues;
- Communicate with the Minister of Education (Section 25 of the Education Act) or their delegate when a student applies for an attendance exemption in excess of 100 days within a 12 month's period, or when a student is absent for more than 100 days in a 12 month period;
- Provide College staff with information on attendance requirements and their obligations to monitor and promote regular attendance at school;
- Principals may grant:
 - i. sick leave to students who are satisfactorily explained as being absent due to illness;
 - ii. an exemption from school attendance (full day or part day) for periods totalling 100 days in a 12 month period for any one student.

► ATTENDANCE REGISTER

Green Point Christian College has an electronic roll marking system named TASSWeb School Management System. Rolls are legal documents and can be inspected or subpoenaed in court at any time. Therefore, rolls must be accurate and up-to-date and Attendance Registers should reflect the highest professional standards. All details, eg registration numbers, addresses, names, birth dates, age as at 1 January of the current year must be recorded in the TASSWeb attendance record. Records of daily attendance are kept for seven (7) years after the last entry. All attendance records are backed up electronically to multiple IT locations.

All details including the following must be recorded in the TASSWeb database:

- Daily attendance of students which may be noted by recording absences;
- Absences;
- Reason for absence;
- Documentation to substantiate reason for absence;
- Common codes (approved by the Minister of Education) of registering absences must be used (Refer: Section NSW Department of Education and Communities "**Symbols for Electronic Attendance Registers**").

► REGISTER OF ENROLMENTS

The Register of Enrolments is located in the College office and is maintained by the Registrar located in Administration. It is updated on arrival and departure of students. Green Point Christian College complies with NESA requirements by maintaining an enrolment register that includes the following:

- The student's
 - name
 - age
 - address
- Parent/carer
 - name
 - contact address
 - telephone number
- Date of enrolment, and where appropriate the date of leaving the school and the student's destination.
- For children older than 6 years, previous school or pre-enrolment situation.
- The NSW Education Department can be informed if a student under 17 years of age is not attending school or cannot be located. The College completes the *Destination Unknown Notification for Non-government Schools (Appendix J)*.
Upon completion, this form is emailed to attendance@det.nsw.edu.au.
- Where possible, the destination of student leavers of an eligible school age is requested of parents by the Registrar. These details are entered in the Register of Admissions.
- Parents are reminded in the *Student Withdrawal - Exit Checklist* form of their legal obligations towards their child/ren's education.
- Register of enrolments must be retained for a minimum period of five (5) years before archiving.

General Principles

- It is the responsibility of parents/carers to ensure their children regularly attend school and promptly explain the absences of their children from school.
- While parents/carers should be reminded of their legal obligations, the welfare of the student must be the focus of any consultation between the home and school.
- Parents/carers should be encouraged to make appointments with health professionals before or after school or in non-term time.
- The taking of family holidays during school time is discouraged.
- Parents/carers are encouraged to contact the Principal or Deputy Principal if they have any concerns in relation to their child's attendance.
- Parents/carers are to apply in advance to the Principal for their child to have extended leave (longer than 10 days) during term time.
- The Principal will determine whether the leave satisfies the granting of an exemption (Code M) or will be recorded as justified leave (Code L) or unjustified leave (Code A). Please see sections within this policy "**Symbols for Electronic Attendance Registers**" and "**Exemption of Attendance**".
- The most effective means of restoring and maintaining regular school attendance includes sound attendance monitoring practices and regular follow up of unexplained absence by prompt parent/carer contact.
- During the August census, the College is required to identify numbers of students who have missed 20 or more days of school.
- Resolution of attendance difficulties may require a range of additional College based strategies including student and parent/carer interviews.
- Reviewing the appropriateness of the student's educational program and implementation of possible reasonable adjustments.

- Development of College-based attendance improvement plans.
- Referral to the College Counselling Team or external agencies.
- Support from College-based staff.

Procedure

► GENERAL ROLL MARKING PROCEDURES (K-12)

Legislation in NSW requires that all children between the ages of 6 and 17 years of age attend school on a regular basis.

- The roll will be marked on all days that the school is open for instruction, including sports carnivals and excursions;
- Students involved in an official school activity must not be recorded as absent;
- Students who arrive late or leave early must have the precise time of arrival or departure recorded at the student window of Administration;
- The correct codes (as specified in “**Symbols for Electronic Attendance Registers**”) must be used by staff maintaining rolls;
- If a child is absent, parents can notify the College via:
 - i. An email to the College (office@gpcc.nsw.edu.au);
 - ii. Via Parent Lounge (Absentees) on TASSWeb (no printed version is required as log is kept on TASSWeb /Systems/Utilities/Change logs grid);
 - iii. A telephone call to the absentee line 4367 9950 (notes of the telephone conversation need to be kept);
 - iv. A letter sent to the College.
- If a child is marked as absent and there is no known reason:
 - i. The parents will be sent a SMS by 11.00am on the day of absence to alert them to the absence and to notify the school of the reason;
 - ii. If no response is received an email will be sent from the office, after the absence;
- For partial absences the parents need to notify the College of an early departure time and the student needs to sign out at the student window located at the Administration office;
- The Heads of School will check student attendance regularly (fortnightly reports are given to the Heads of School and Year Advisor [for Secondary]);
- If it is believed that a student is truanting school, whether it is partial truancy or full day truancy, the Head of School should be advised immediately;
- Staff are required to follow these procedures to ensure the College fulfils its duty of care and pastoral responsibilities.

► MONITORING ATTENDANCE – GENERAL INFORMATION

During the August census, the College is required to identify numbers of students who have missed 20 or more days of school.

► ILLNESS

In the event of frequent absences being explained as due to illness, the Principal/delegate will ensure that:

- Consultation occurs with parents/carers regarding the health care needs of the student.

- Medical certificates could be sought for extended, regular absences or patterns of absence.
- Where there are ongoing concerns, approval is sought from parents/carers to contact the student's medical professional, so the College has all the relevant information regarding the student's health care needs.
- Strategies are developed to ensure regular school attendance.

► **FREQUENT ABSENCE**

In the event of frequent absences not related to illness, the Principal or their delegate will issue letters of concern and interview the student's parents/carers. In the event of a matter relating to school attendance where safety, welfare or wellbeing concerns arise for a student:

- Priority is given to the Green Point Christian College Child Protection Policy;
- All required reports are made to Family & Community Services;
- Documentation in relation to unsatisfactory attendance will be transferred to the student's electronic file in TASSWeb under the subsection identified as "Pastoral Care", if a formal investigation took place;
- Student punctuality and attendance is recorded on student reports which are issued in June and December each year;
- If no explanation about an absence has been provided by parents/carers within seven days or the explanation is not accepted by the Principal, the code used to describe the absence will be "A";
- Arriving late at school will be recorded as late.

► **PARENT NOTIFICATION OF ABSENCE, PARTIAL ABSENCE AND LATENESS**

- When a student arrives after 8.45am, they must report to the student window in the Administration building where they will receive a late slip which must be presented to the teacher. The slip includes name, class, time of arrival and reason for lateness;

- The parents of the children who continually arrive late for school will be contacted by the class teacher and if this does not result in improvement in punctuality the parents will be contacted by the Head of Primary School. Class teachers are to report frequent late arrivals to Head of Primary School.

► **SPECIFIC ROLL MARKING PROCEDURES IN SECONDARY SCHOOL (YEARS 7-12)**

- Teachers are responsible for checking student attendance and marking the roll accurately each lesson on TASSWeb;

► **FLEXIBLE ATTENDANCE FOR YEAR 12 STUDENTS**

Year 12 students have the privilege of being offered flexible school hours to assist with their home study programs. It is expected that all Year 12 students will be in devotions each morning and in all timetabled classes.

Year 12 students may only leave at the start of lunchtime if they do not have any of the following classes on:

- Lunchtime class;
- Period 4 class;
- After school class.

This flexible program is only extended to Year 12 students. Year 12 students who choose to utilise this agreement must submit the appropriate application form to the Head of Secondary School for his/her approval. Students can only then leave early once approval has been granted. When students leave the school, they must adhere to the standard sign out procedures.

If Year 12 students have a study period in Period 1, they may arrive late but no later than 10.00am and must sign in at the student window of Administration.

► **SYMBOLS FOR ELECTRONIC ATTENDANCE REGISTERS**

► **RESOLUTION OF ATTENDANCE ISSUES – REFER TEMPLATES F - I**

Resolution of attendance issues with individual students will require a range of strategies that may include:

- a. Student and parent interviews;
- b. Consideration of the appropriateness of the education program for the student;
- c. Development of a School Attendance Improvement Plan;
- d. Referral to College counsellor or other agencies external to the College.

► **EXEMPTION FROM ATTENDANCE AT SCHOOL**

- At the commencement of the school year parents/carers will be notified of the procedures for exemption from attendance at school. The appropriate exemption forms will be available to parents/carers/students at the Administration office. All applications for exemption from attendance go to the Principal;
- The Principal may grant an exemption from school attendance for a period totalling up to 100 days in a 12 month's period for any one student. Where the exemption exceeds 100 days, the Principal must complete the Exemption Form and forward it to the Minister of Education or their delegate responsible for the approval;
- Procedural fairness must be accorded to an applicant. It must be demonstrated by the applicant (parent/caregiver) that it is in the student's best educational interest to be absent from school. The Principal will write to the parent giving them an opportunity to respond to concerns if he/she is considering refusal to grant the exemption;
- Applications must be made in writing to the Principal. An oral request for assistance to complete this may be made to the Principal;
- The Principal should not generally approve an exemption where there are unresolved risks of harm issues. A risk assessment however, should be used to identify and strategies developed to manage any risk prior to approval being granted.

► **GUIDELINES FOR GRANTING FULL DAY AND PART DAY EXEMPTIONS**

- The Principal will complete the appropriate Certificate of Exemption, depending on the reasons (refer to the forms **Appendix C-E**);
- The original copy will go to the parents/carers and a copy will be stored on a file in the Administration office and the student's file.

► **EXEMPTION FROM ENROLMENT AT SCHOOL**

- Application for exemption from enrolment at school must be made in writing to the Principal (forms **Appendix A-B**). In exceptional circumstances an oral request for assistance to complete this may be made to the Principal;

- Procedural fairness must be accorded to an applicant. The Principal will write to the parent giving them an opportunity to respond to concerns if he/she is considering refusal to grant the exemption;
- The Principal may grant exemptions to students of compulsory school age from the requirements to be enrolled in school provided approval has been given to their entering a fulltime apprenticeship or traineeship before they have completed Year 10 under section 21B of the Education Act.

Such exemptions will only be granted when the:

- Principal considers that, in all the circumstances the student is a suitable candidate to complete his or her education through an apprenticeship or traineeship;
- Student's parents/carers give permission for this to occur;
- Principal has sighted a full time apprenticeship or traineeship contract signed by the employer and a summary of the training plan authorised by the Registered Training Organisation;
- The employer agrees to notify the College (through the Principal) if the apprenticeship or traineeship is abandoned before the student turns 17. If the student does not complete the apprenticeship or traineeship, he or she will not have completed Year 10 and will be legally required to do so under another pathway of the Act (for example by returning to school or seeking enrolment in TAFE NSW);
- The apprenticeship or traineeship is subsequently approved by the Commissioner for Vocational Training, State Training Services as suitable for the young person and their training contract attains "registered" status following the probationary period. (Where approval is granted by the Principal and the Commissioner subsequently notifies the student of his or her decision not to approve the contract following the probationary period, the approval and exemption from the compulsory school cease from that point to operate, and the student's parents must take steps to comply with their compulsory schooling obligations);
- Where granted, the Principal completes the Certificate of Exemption and provides the original to the parent/carer;
- If the exemption is declined, the Principal sends a Letter of Decline to the parent/carer;
- At the end of Year 10, students of compulsory school age will be notified of the need to make an application for exemption from enrolment if they are not enrolled at Green Point Christian College (or another school) for Year 11.

PRINCIPAL TO PARENT ADVISING OF INTENTION TO MEET TO DEVELOP AN ATTENDANCE PLAN

<Date>

<Correspondence Name>

<Correspondence Address>

Dear <Correspondence Name>

I refer to the attendance of <Student Name> at school.

At a recent meeting, <Student First Name>'s pattern of attendance was reviewed and despite the school implementing a number of strategies <Student First Name>'s lack of attendance remains a concern.

Regular attendance at school is essential if <Student First Name> is to achieve his/her educational best and increase his/her career and life options. School staff remain committed to working in partnership with you to address the issues which are preventing <Student First Name>'s from full participation at school.

The school would like to meet with you to formulate an Attendance Improvement Plan. This is an opportune time to attempt to resolve your child's attendance issues and develop a plan that aims to restore your child's regular attendance at school.

I would like to remind you that The *Education Act (1990)* requires parents to ensure that children of compulsory school age attend school each day it is open for instruction. If you do not meaningfully engage in the Attendance Improvement Plan, or there is no improvement in <Student First Name>'s attendance during this time, the school may need to pursue further action such as a Compulsory Schooling Conference.

It is important that we work together to improve <Student First Name>'s attendance at school. If you wish to discuss this matter further with me please contact the school on the school's phone number to arrange an appointment.

Yours sincerely,

<Principal's Name>

PRINCIPAL TO PARENT ADVISING OF SECRETARY'S COMPULSORY SCHOOLING CONFERENCE

<Date>

<Correspondence Name>

<Correspondence Address>

Dear <Correspondence Name>

I refer to the attendance of <Student's Name>.

I am advised that despite the attendance improvement strategies being implemented at the school <Student First Name's> attendance at school remains of serious concern.

In an additional attempt to resolve <Student First Name's> attendance issues I request that you attend a Secretary's Compulsory Schooling Conference. The purpose of the conference is to discuss the issues relating to <Student First Name's> attendance at school and to explore ways of resolving the situation. The conference will help to identify the supports your family may need to have <Student First Name> attending school regularly.

As arranged with you a Secretary's Compulsory Schooling Conference will be convened for <Date> at <Venue> at <Time>.

<Convenor's name>, an authorised convenor will be convening the Conference. He/she will be in contact with you shortly to outline how the conference will work. He/she will also discuss the option of bringing a support person with you to the Conference.

It is most important that you attend the Conference so that <Student First Name's> attendance issues can be resolved. If we are unable to resolve the issues the Department of Education must consider further action specified in the Education Act such as, an application to the Children's Court for a Compulsory Schooling Conference and/or Compulsory Schooling Orders, or prosecution in the local court with the possible imposition of a fine. Please be advised that prosecution in the local court can result in an imposition of a fine with the maximum penalty under the law of \$11,000.

Yours sincerely

PRINCIPAL TO PARENT ADVISING OF FURTHER ACTION

<Date>

<Correspondence Name>

<Correspondence Address>

Dear <Correspondence Name>

I refer to the attendance of <Student's Name>.

I wrote to you recently regarding <Student Name's> unsatisfactory attendance at school. In the letter you were also advised of your legal obligations under the *Education Act (1990)* to ensure that <Student's First Name> attends school regularly and that any absences are satisfactorily explained.

To assist you in restoring <Student First Name's> attendance at school, you were previously advised that you were required to attend a Secretary's Compulsory Schooling Conference. You failed to attend the Conference to address the issues impacting on <Student First Name's> attendance at school.

I am advised that despite the ongoing strategies employed by the school <Student First Name's> attendance remains unsatisfactory.

As the issues have not been resolved, consideration must now be given to taking further action specified in the *Education Act* such as an application to the Children's Court for Compulsory Schooling Conference and/or Compulsory Schooling Orders, or prosecution in the local court. Please be advised that prosecution in the local court can result in an imposition of a fine with the maximum penalty under the law of \$11,000.

If you have any questions, please contact the school on <school's phone number>.

Yours sincerely
