PARENTS/CARERS/SPECTATORS/COACHES/MANAGERS:

- encourage participation, do not force children, remembering they are involved in organised sport for their own enjoyment.
- focus on efforts & performance rather than the overall outcome of the game/event, thereby reducing the emphasis on winning.
- teach children that an honest effort is as important as victory, so that the result of each game is accepted without undue disappointment.
- applaud good play by all players, remembering that children learn best by example.
- encourage children to always play according to the rules.
- if there is disagreement with a referee or coach, the issue needs to be addressed through the appropriate channels rather than to question their judgement & honesty in public. Firstly with the Coach &/or Competition Referee Supervisor or the Club Committee.
- recognise & respect the value & importance of volunteer administrators, coaches, scorers & referees who give their time & resources to provide recreational activities for all players.
- be a model of good sports behaviour for children to copy.
