Superheroes? Helping hands and supporters of individuals/families/communities? Connectors? Change agents? Explore and discover what social work and human services is all about through the stories of practitioners working in the field.

'Exploring social work and human services career paths', is a unique opportunity for you to explore careers and exciting professional pathways in these areas. Listen to stories from professionals who are working in the field of social work and human services. Learn about the diversity of work, and the skills and attitudes required for success.

Do You Want Some Help with Literacy and Numeracy Skills?

If you are thinking of going into a vocational career such as a Hairdresser or Automotive Mechanic (or even to practice for the NESAs minimum standards literacy and numeracy tests), there are many literacy and numeracy quizzes available via the Job Jump website. These online quizzes are quick to do and results are provided.

To access the quizzes, login to Job Jump <https://jobjump.com.au/> (password is 'finches' if you need to create an account) and click on the "Job" menu, then choose either of the "Apprenticeships" or "Traineeships" items.

If you are interested in an apprenticeship or traineeship, the video and [Skills Road](#) and [Australia Apprenticeships Pathways](#) links provide additional information.

The screenshot shows the Job Jump website interface. At the top, there is a navigation menu with links for CareerVR, eWork Experience, Career Explorer, Subjects, ATAR, Uni, TAFE, Job, Pay, Resume & Plan. The main header area is titled "Apprenticeships & Traineeships". Below this, there is a section for reading and watching videos, with links to "Skills Road" and "Australia Apprenticeships Pathways". A video player is embedded, showing a blue sign that reads "THE GOVERNMENT SUPPORTS APPRENTICES TRAINEES WITH VARIOUS SCHEMES". To the right of the video player is a dropdown menu with various options like "Find My Job Ads", "LinkedIn", "Apprenticeships", "Traineeships", "Work Experience", "Medical Associate", "Engineer (Practical)", "Work Safe Quiz", "Go2Workplacement", "Defence Jobs", "First Aid - Red Cross", and "First Aid - St John". Below the video player is a section titled "INTERACTIVE QUIZZES" with a search bar and a grid of 30 career categories, each in a black button with white text.

Type in your career below
