## Macquarie University News

Macquarie University has received advice from NSW Health in relation to the practice of sensible precautionary social distancing measures in response to COVID-19. In support of this advice, the University has taken some additional steps to ensure the continued wellbeing of our entire community, including our prospective students and their families.

All non-essential face-to-face Future Students events and engagement activities prior to **29 May, 2020** have been cancelled.

This includes school presentations, consultation visits, campus tours and our scheduled upcoming events:

- Macquarie in a Day (22 & 23 April)
- Year 10 Information Evening (6 May)
- Year 12 Information Evenings (19 & 20 May)

We are working on reformatting these live events to enable delivery of them in an online mode.

### CONTACT CENTRE

Our Contact Centre continues to operate and is ready to welcome and assist your students with any Macquarie related questions.

Your students can:

- Live chat with us online at [mq.edu.au](https://mq.edu.au)
- Email us at [futurestudents@mq.edu.au](mailto:futurestudents@mq.edu.au)
- Call our team on 02 9850 6767

## HELP STUDENTS DISCOVER THEIR CAREER PATH

An ADF Gap Year is a unique opportunity to experience life in the Navy, Army or Air Force, without needing to make a long-term commitment. The skills obtained through the ADF Gap Year program will provide them valuable work and life experience and are completely transferable. It will enable your students to develop the confidence for their next endeavour.

Students who take part in the ADF Gap Year program:

- Gain valuable skills and work experience
- Enjoy a great salary package plus free healthcare
- Live a varied, active and healthy lifestyle
- Make friends with like-minded people
- Have the opportunity to see more of Australia

Whatever their interest, there are a variety of roles to select that will provide young Australians valuable life skills. These include experiences as an officer, in management, engineering, logistics and warehousing, combat and security, and administration.
