<https://www.teach.nsw.edu.au/getpaidtostudy>

Please note that there is a very tight turn around this year and applications will close on 11 September 2020.

Interested in being a Chef...?

Nestlé Golden Chef's Hat Award

Thinking about a career in the hospitality industry, but want some more information? There are many exciting career paths available and one of the most rewarding is becoming a chef. A career as a chef is fast paced, full of challenges, flexible and very fulfilling.

If you love to get creative in the kitchen there are various fields for which you can apply: Chef, Pastry Chef, Sous Chef, Baker, Trainee cook, and executive Sous Chef are some of the possibilities on offer.

To celebrate National Skills week, we will be releasing some exciting content where you will hear from industry experts and two dynamic young chefs who are already making waves in their career of choice.

Plus discover how Nestlé Professional is helping accelerate young chefs' careers through their Nestlé Golden Chef's Hat Award competition. This *Nestlé needs YOUth* initiative is part of a global program to help equip the next generation for employment through our internships, apprenticeships, graduate programs, and partnerships with education providers. We want to help the next generation unlock their potential and elevate their professional development and employment prospects.

The Nestlé Golden Chef's Hat Award is Australia's longest running apprentice Chef culinary competition. Each year talented young chefs compete alongside the country's top emerging culinary talent to win the highly sought-after Golden Chef's Hat. The prize includes a once in a lifetime culinary trip to an exciting overseas destination plus hands-on work experience in the kitchen of a celebrated chef's restaurant.

To learn more about the Nestlé Golden Chef's Hat Award check out the amazing video entries of this year's [Golden Chef finalists](#) and follow their journey on Facebook [@goldencheffs](#) and Instagram [@golden_chefs](#).

To get inspired about this exciting career, tune in to watch the online information from **Thursday August 27th** on Nestlé's profile on [ExploreCareers.com.au](#).

Macquarie University News

A number of students have applied for the Macquarie University Leaders and Achievers Program.

The closing date for the Scheme is **2pm, Monday 31 August**. If you have started but haven't finished an application, please complete before the closing date.

The University comments that..." It's important to note that when there is a high volume of activity on the application site the student may experience technical difficulties, therefore we highly recommend students submit their application well before the final closing date to avoid any issues. Please also advise your students to use the Contact Us link which appears at the bottom of each page of the application portal. It is best for students to make direct contact to resolve any technical queries or other questions regarding their application.

The students can call our Leaders and Achievers Hotline on 9850 6771 if they have any questions regarding finalising their applications."

ABOUT MICHELA

Scholarship Category:
Academic Excellence

Promoting sustainability has always been a priority for Michela. A budding environmentalist in primary school, she extended her reach at high school, starting a sustainability group and designing a recycling education program for all commencing students. She was also a regular volunteer with the Youth Environment Council and Adelaide Youth At The Zoo, working on conservation projects. Attracted to field work and research, Michela worked alongside University of Newcastle researchers in the Earth Watch Vanishing Frogs student challenge in 2018. Studying a Bachelor of Science and Bachelor of Mathematics will further her ability to turn her passions into a career.

Are you interested in studying music, performance, song writing or sound production? Join us on Tuesday 1 September at 5:30pm for our [Bachelor of Music](#) degree webinar!

Students will hear from academics and current students about our recently updated music degree, including information on what students will study, career outcomes, facilities and admission to the program. There will also be time for questions and answers.

[Click here to register for the Music degree webinar.](#)

You can also find all other past degree webinar recordings by [visiting our website.](#)

UTS News

UTS is committed to ensuring students have an equitable admission process and have expanded SRS to accommodate the considerable disruption students have faced in 2020.

For 2021 intake, SRS will include 2 streams:

1. Equity stream: supporting students who have the potential to succeed at university but may not receive an offer based on ATAR alone. Applicants must first be eligible under our [inpUTS](#) scheme.

For the first time, UTS will make limited unconditional offers in November.

2. 2020 Access stream: supporting students who have experienced disrupted studies due to COVID-19. UTS may take into consideration both Year 11 studies as well as the Selection Rank (ATAR + adjustment points) when assessing an applicant's eligibility for an offer.

Unconditional offers will be made in December Round 2.

For both the streams SRS application needs to be submitted by **Sunday 20 September**. With Open Week coming up in just under two weeks, this is the perfect opportunity for your students to ask any questions they may have about the scheme.

Bachelor of IT Scholarship

Apply before 6 September 2020 for this three year, fast-track scholarship course that's been designed to mentor the next generation of IT and business leaders.

School Based Traineeship with KFC

Traineeships Opportunities with KFC

Combine school and work!

KFC is extremely proud to deliver high quality and nationally recognised training to Team Members across Australia. This enables many of our Team Members to achieve a nationally recognised qualification in conjunction with on-the-job experience.

Our nationally recognised qualifications range from Certificate II to IV level.

Undertaking a traineeship means many of our Team Members can combine school and work, you can even earn points towards your ATAR score (state specific school based traineeships). Our qualifications are delivered in a real retail environment enabling learners to practice within an organisational context with allocated time and support for on-the-job and off-the-job training.

We provide opportunities for youth from school age, to gain valuable new experiences and knowledge that are transferable across a range of industries and employers.

We are passionate about our people development and the life skills learned whilst working at KFC. We hope to instil in our people the confidence that working for KFC is not just a part-time job but can also be a long-term career path. Many of our Above Store Leaders and Directors started their pathways as a Team Member role in our stores.

[To learn more, head to our profile on ExploreCareers.com.au](https://www.explorecareers.com.au)

Meet Natalie

Natalie Evans is the regional winner of the 2020 School based apprentice/Trainee of the Year for the Riverina region

Natalie is currently in Year 12 at Koorungal High School and is completing a Certificate III in Retail as part of her HSC.

Natalie has been employed at KFC Sturt Mall for almost 3 years as a customer service Team Member. As a natural leader, Natalie is happy to help others and leads by example with her bubbly and positive nature.

“I started this Traineeship because it allowed me to combine both school and work. At school, it will help with my HSC studies and contribute to my ATAR. At work I can continue my training in-store, advancing my skills and giving me new responsibilities and roles within my workplace. Undertaking the Retail Traineeship has helped me improve on my time management, leadership and teamwork skills. I believe the Traineeship will help me in my future career.”

Natalie is currently in training as a Shift Supervisor at KFC Sturt Mall and hopes to continue her development towards a Management role within KFC.

“I like being able to work in a team because it creates a positive environment in which we can collaborate and work together to achieve a common goal while developing our team work and communication skills while being "Your Best Self".

Job Opportunity

Information Technology Traineeship	Central Coast & North West Sydney	Previous experience or qualifications are not essential although a background in IT at the HSC level completing IPT or VET IT or equivalent will be desirable. Ability to work with both MAC & PC.
--	-----------------------------------	---

General News

Youtube - Applying for uni as a Year 12 student with UAC

Our quick video guide for Year 12 students applying for undergraduate courses through UAC.

Visit <https://www.uac.edu.au/future-applica...> to get started. If you're unsure about what you'd like to do when you finish school, and are wondering if university is for you, you're not alone. Just remember that uni isn't only for the brightest students or for those with a specific career path in mind. Uni is for anyone who's committed to reaching their full potential and wants to acquire the skills and experience to achieve their goals.

Keep your options open by taking the time to understand how the university application process works, how institutions use the ATAR to select students, non-ATAR pathways to tertiary study, and the many levels of financial support available to you.

They are designed to recognise academic achievement, community involvement and leadership encouraging student success as well as supporting students with demonstrated financial or other disadvantages. Apply for a scholarship now at: www.scu.edu.au/scholarships

Australian Catholic University Early Entry ACU Guarantee

ACU has announced a brand new early offer program, ACU Guarantee. The ACU Guarantee program offers eligible Year 12 students a place at ACU based on their Year 11 results. Applications open 3 August and offers may be made as early as September.

Students can learn more and register their interest for ACU Guarantee [here](#).

ACU – Elite Athlete and Performer Program (EAPP)

The Elite Athlete and Performer Program (EAPP) is designed to give students who are top sporting or artistic performers the tools they need to achieve balance across their active and academic lives.

The program comes with a range of benefits, including:

- adjustment factors to your entry score
- early timetabling
- academic support and flexibility (deferred exams, extensions, special considerations)
- access to financial scholarships and competition/travel grants
- networking and career development opportunities

The program is administered annually, so all EAPP students need to reapply each year to maintain access throughout their study.

You can learn more by visiting elite athlete and performer support.

<https://www.acu.edu.au/study-at-acu/admission-pathways/i-am-an-elite-athlete-or-performer>

UNSW Co-op Program scholarship applications for 2021 are now open, closing 30 September 2020. Further details and how to apply can be found [here](#).

Reminder - Applications for UNSW Scholarship close 30 September 2020

UNSW Scholarship applications for 2021 will open progressively from July 2020 and will close on 30 September 2020. Further details and how to apply can be found [here](#).

UNSW Engineering - Flexible First Year (Honours)

A key part of UNSW's commitment to help students grow into their career, the Flexible First Year degree is for those who know they want to be an engineer, but have **yet to work out which direction to take**. It allows you to explore a number of areas before deciding upon your final specialisation. The first year of engineering study has a core of common subjects, plus a wide choice of electives. It allows you to study a number of areas that appeal to you **without making a formal commitment** to a specific engineering degree. Flexible First Year students need to enrol in five core subjects. You are then encouraged to select electives from the options listed, focusing on those required in the degree you are considering for future years. Upon completion of the Flexible First Year degree, you can transfer into the engineering degree of your choice.

<https://www.engineering.unsw.edu.au/study-with-us/undergraduate-degrees/flexible-first-year>

Meet the Journalist – The Series – UTS – Top Australian Journalists Coming Together

Each semester, top UTS Journalism students are invited to research and interview a well-known journalist or media practitioner. Previous guests include the likes of Leigh Sales, Hamish Macdonald, Sandra Sully, Emma Alberici and Rick Morton.

The interviews have provided the opportunity for public debate on some of the biggest challenges facing the media industry today. They have also allowed an insight into the personal lives and careers of some of Australia's most prominent journalists and news media figures.

NIDA Design and technical career opportunities in the performing arts

Applications to study at NIDA in 2021 are now open until 30 September

The National Institute of Dramatic Art (NIDA) is renowned for excellence in acting training, but highly rewarding behind-the-scenes careers also start here. For passion-driven and creative high schoolers, the performing arts industry affords many career options and is hungry for creative collaborators like stage managers, costume makers, set designers, scenic artists, set builders, crew members, etc. The practice-led, hands-on education and training students receive at NIDA means they graduate with highly transferable soft and hard skills, are equipped to face the complexity of the future of work, and highly employable. info session Please contact education@nida.edu.au to organise an online info session for your students with NIDA teaching staff about design, makers and technical career pathways at NIDA.

ICMS Entry Pathways

now open

For students who would like to start in February 2021 and are currently in their final year of school in Australia or New Zealand, or taking a gap year, there are ways in which they can apply to ICMS which could mean they gain early conditional entry to ICMS. Find out more about these pathways below.

- [Early Entry](#) – for high achieving students.
- [Elite Athlete/Performer Program](#) – for students with sport or performing commitments.
- [Leadership Entry Program](#) – for students who have demonstrated commitment to leadership.

Focused HSC Workshops

From lectures about how to blitz exams, to online practice and preparation for exams, to online tutoring, to bringing students, parents, schools, and universities together through a virtual careers expo; we are all about student success. Whether you are a student, a parent, a teacher, a school, or a university, we're ready to serve (and inspire) you. Today, we deliver these lectures through a network of over 70 senior teachers and examiners in partnership with Australia's leading universities. Nothing makes us prouder than helping thousands of students achieve the ATAR scores they want and deserve.

Start Your Own Small Business

If you're thinking of starting your own business or have a new business idea that you'd like to make a reality, the Australian Government offers a range of initiatives and support to help you get started and grow your business idea.

Starting up your own business is an exciting time, but it can also be daunting and challenging if you don't get the right support to help you plan and prepare. You can attend Exploring Being my Own Boss workshops or receive New Business Assistance with NEIS. Visit SelfStart to access a variety of resources and support to help you get a great idea off the ground and give you the stepping-stone to be your own boss.

Whether you are thinking about becoming your own boss, starting a small business or being an entrepreneur, these things could help:

CSIRO Aboriginal and Torres Strait Islander Cadetships

As an Aboriginal and Torres Strait Islander cadet, you will get the chance to work with leading scientists and mentors to solve some of Australia's biggest challenges in a range of settings. Our program provides financial assistance to support your full time study and provides 12 weeks of paid work placement at flexible times throughout the year. During periods of full time study you will be provided with a mentor and the opportunity to participate in CSIRO's Aboriginal and Torres Strait Islander Staff Forum which brings together Aboriginal and Torres Strait Islander cadets and employees across the organisation.

Autism Spectrum Disorder (ASD): Communication and Employability Skills for the Workplace

Information Session 22 September

TAFE NSW Ultimo is now delivering a Statement in Education and Employment CSO5555, designed specifically for people with ASD to enhance their social, occupation and communication skills. Students will develop and practice communication and social skills for employment. Email amanda.tierney@tafnsw.edu.au for details and registration.

Get into Surveying

In order to let students know more about the surveying profession, it helps to have resources at hand. We have put together a range of material that will help communicate what surveying is, as well as the need for more surveyors entering the industry. Surveying is an exciting field of study that will greatly appeal to any students you know who love subjects like maths, geography and IT – and anyone who likes the idea of working outdoors a lot of the time. If these resources help you reach those students, then that is a great success.

QANTAS Cabin Crew Recruitment Journey

When positions are available, we advertise them on our [Qantas Careers](#) and [LinkedIn](#) pages. If you're interested in a rewarding and challenging career as a cabin crew member we encourage you to submit an application when positions become available at your preferred base.

You'll be asked to submit an up-to-date resume and answer a short questionnaire around the requirements of the role so please ensure you review the required skills, experience and requirements before submitting an application. From here, your resume and answers will be reviewed. If you're successful, we'll be in touch to advise you of next steps. In most instances, successful applicants will be required to attend one of our assessment days and we'll provide you with more information about what to expect and what to bring with you on the day.

For those candidates who are successful following our assessment day, we'll then require satisfactory references, background checks and a medical assessment and clearance.

Making National Science Week inclusive: Empowering STEM students with disabilities

To 23 August

This [National Science Week](#), those traditionally excluded from engagement STEM activities will have the opportunity to independently participate – and thrive.

Although Australia is incredibly diverse, the demographics of our STEM workforce often falls short of representing the [one in five Australians](#) who live – and work – with a disability. And with research suggesting that [diversity in STEM encourages innovation](#) and creativity for *everyone* in a team, boosting inclusivity – yep, especially during Science Week – has become increasingly important.

Workforce of the future

28 August 12-1pm

The Department of Education, Skills and Employment are running a free webinar 'Workforce of the future' What does Australia's workforce of the future look like? What kinds of jobs will be around after the COVID-19 pandemic? What skills and training do school leavers need to make sure they can find meaningful, long-term employment? Join three of Australia's leading business leaders from across the Mining, Digital and Human Services sectors to discuss the future of Australia's workforce. In this special one-hour live streamed event featuring leaders from the Australian Government's Skills Organisation Pilots you will have the chance to ask questions and learn about the skills employers are looking for to build the workforce of the future. To register visit:
