### **University of Sydney Portfolio Submission Pathways for Architecture - Closes Soon!**

Round 1 Closes 29 September

If you didn't quite get the required ATAR, you can apply for entry into one of our undergraduate degrees with a portfolio that shows your design skills and creativity.

The portfolio submission is a potential way for you to gain entry into our programs if you achieved close to the required ATAR (or equivalent). In conjunction with the HSC and other formal assessment systems, it assists the University to identify students with the potential to excel in architecture or design computing.

If you are expecting to receive an ATAR of up to five points lower than or roughly around the ATAR for your preferred course, we encourage you to apply by submitting a portfolio.

### **Westpac Young Technologist Scholarship**

Applications Now Open, Closes 13 January 2025

The Westpac Young Technologists Scholarship was made for talented and inquisitive high school graduates looking to strengthen their passion and expertise in technology to innovate and create new opportunities and inspire good in the world of STEM.

Our Young Technologists Scholars get up to three years of financial support for their studies, networking opportunities, mentoring programs and paid internships with senior business leaders and industry-based experts as well as the chance to develop critical soft skills through the Disruptive Leaders Program. The program includes five days in Asia as part of an international learning experience to broaden minds and inspire new ways of thinking.

Scholars must be intending to commence a STEM related degree at one of our five partner universities across Australia, though you do not need to have received a formal offer at the time of your application.
