

CommBank School Banking is available at your school.

For over 85 years, the School Banking program has provided a fun, engaging way for Australian children to learn about the value of money and smart saving.

Get your child involved

To get started, all they need is a Youthsaver account. They can then make regular deposits at school on School Banking day and be able to participate in our exciting Rewards Program.

Track their savings

Your child can track their savings through the School Banking Savings Tracker or the CommBank Youth app, which is available to download from the App Store*. It helps teach children real-life money skills, in a fun and secure digital environment.

Raise funds for your school

School Banking isn't just helpful for your child. It's also a great fundraising activity, as CommBank provides your school with financial support through our School Banking Contributions Program.
