

Extend OSHC at Green Point Christian College

Program of activities

There are so many exciting activities planned at Extend. Some of these planned activities include, art and craft, science experiments, homework club, cooking, plenty of outdoor games and sports such as basketball, handball, soccer and much more!

Who can attend?

The program is open to all children aged 5 - 12 years of age, who are enrolled on LookedAfter.

Making an enrolment – No enrolment fees!

Our registration system is a purpose-built platform, named LookedAfter. It is a user-friendly online platform which provides families with flexibility and control of their account and bookings from a mobile device. We recommend that all parents enrol their child in LookedAfter to ensure that, if and when emergencies arise, your child has a safe and engaging place to play until you arrive. Before your child can attend the Extend service, they must be enrolled to ensure we have all current medical information and emergency contacts. Each child's safety is our paramount concern and so we hope that you will work with us to be proactive and enrol your child. Please go to <https://www.lookedafter.com> for bookings and fee information. For information on the child care subsidy, please visit our [website](#) or use our [Fee Relief Calculator](#).

Ultimate Booking Flexibility

Families can book online up to the last minute prior to the start time of their service, as bookings are now registered in our system instantaneously! If you make a booking for your child on the same day that the booking will take place, please also contact the school office to communicate your child's movements at the end of the school day. We would like the children to transition from their school day to after school care smoothly and this process will really help us to do so. We appreciate your cooperation.

Medication

If your child has a medical need that requires medication, we ask that you provide the Extend service with a copy of the required medication. It is our priority to ensure your child's safety. We must therefore have your child's medication stored onsite to ensure it is within reach if an emergency occurs. This includes and is not limited to; EpiPens, Ventolin puffers, Clarityn. Please work with us to ensure the safety of your child at the service.

Hours of Operation

Before School Care: 7:00am – 8:45am

After School Care: 3:15pm – 6:00pm.
