1. I understand that any online forum/ collaboration space, text chat, live conference or other digital classroom space is equivalent to a physical classroom space with regard to my behaviour/ language/ and engagement with other students and my teacher.
 2. The use of any digital learning platform requires me to abide by school expectations of student behaviour. This includes:
 - a. using appropriate language and images at all times;
 - b. ensuring that all contributions are directly related to my learning and the lesson content;
 - c. interacting in the lesson and with others in a way that does not distract other students or my teacher;
 - d. applying myself diligently to the classwork and learning activities assigned by my teacher;
 - e. taking responsibility for my own learning, which includes being prepared for each lesson.
 3. Whilst there is an adjustment in the delivery mode of my learning, I acknowledge that I remain responsible for doing my best, persevering and applying myself consistently and diligently to any classwork, and participating in lessons to the best of my ability.

I agree to these guidelines for any learning that occurs online or during home learning.
