

Code of Conduct

We do not have a list of school rules as such, but we encourage students to measure their behaviour against our three respects: Respect for Self, Respect for Others, Respect for the Environment. As an incoming student representing my school, and as a representative of other young people who may wish to participate in a Round Square Conference in the future, I agree to the following. And we, the parents, accept that our daughter/son understands the expectations with respect to behaviour, and specifically:

- Adhere to all Woodleigh School rules and become a genuine member of this community
- The need to pay attention to his/her personal safety and health at all times
- The need to liaise regularly with the Conference Coordinators and staff, and to accept appropriate supervision at all times (and the need to accept the reasonable directions of other school staff, student leaders, etc).
- Involvement with sex, drugs or alcohol is prohibited
- A respectful attitude to the host school and other delegates
- A preparedness to participate wherever appropriate

If you are happy for your child to be involved in the Conference, please complete the permission slip attached. If you have any questions or concerns please contact me at school.

Yours sincerely,

Gareth Bolch

I give permission for my son/daughter to be involved in the Round Square Conference and associated activities, including excursions based locally and as far as Melbourne city. I authorise the teacher-in-charge to consent, if it is impracticable to communicate with me, to my son/daughter receiving such medical or surgical treatment at my expense, and to administer such first aid, as may be deemed necessary. I also support the staff in imposing such rules as relate to safety and good behaviour.
